2020 HIGHLAND PARK FORM HP-1040 INSTRUCTIONS FOR RESIDENTS, NONRESIDENTS AND PART-YEAR RESIDENTS

WHO MUST FILE A RETURN

If you had Highland Park taxable income greater than the total of your personal and dependency exemptions, you must file a tax return — even if you did not file a federal tax return. See Exemptions schedule for more information on your allowable exemption total. **You are required to file a tax return and pay tax even if your employer did not withhold Highland Park tax from your paycheck.** You will be required to make estimated income tax payments if you work for an employer not withholding Highland Park tax from your 2021 wages.

ESTIMATED TAX PAYMENTS

When your total income tax is greater than the amount of tax withheld plus other credits by \$100 or more, you may be required to make quarterly estimated tax payments. File Form HP-1040ES (available on the Highland Park website) by April 30 of the tax year and pay at least one-fourth (¼) of the estimated tax. The remaining estimated tax is due in three equal payments on June 30 and September 30 of the tax year and January 31 of the following year. Adjust the remaining quarterly payments if your income increases or decreases during the year. **Failure to make required estimated tax payments or underpayment of estimated tax will result in assessment of penalty and interest.** If you have made estimated tax payments and do not owe more tax for the year, you still must file a tax return.

DUE DATE AND EXTENSIONS

Returns are due on or before April 30, 2021. The due date of the annual income tax return may be extended for a period not to exceed six months. To apply for an extension, file Form HP-4868, Application for Automatic Extension of Time to File an Individual Income Tax Return. Applying for a federal extension does not satisfy the requirement for filing a Highland Park extension. Application for an extension must be made and the tentative tax due must be paid (MCL 141.664). Filing an extension with payment is not a substitute for making estimated tax payments. **An extension does not extend the time for paying the tax due.** When an extension form is filed and the balance due is paid, it may be assumed that the extension is automatically granted unless otherwise notified. Interest and penalty is charged on taxes paid late even if an extension of time to file is granted. Penalty may be waived by the Income Tax Administrator if the tax paid by the original due date is not understated by more than 5% of tax or the corporation can show that the failure to pay on time was due to reasonable cause.

AMENDED RETURNS

File amended returns using the HP-1040 Clearly Marked **AMENDED** at the top of the return. If a change on your federal return affects Highland Park taxable income, you must file an amended return within 90 days of the change and pay the tax due. An adjustment must be made for tax paid or refunds received from the original return. Write in the tax paid or refunds received to the left of the box on page 2, Payments and Credits schedule, line 4; include the tax paid and subtract refunds from the original return when totaling amended return payments and credits. All schedules supporting the changes should accompany the filing. Every change must be explained. Mail amended returns to: Highland Park Income Tax, P.O. Box 239, Eaton Rapids, MI 48827-0239. **DISCLAIMER** These instructions are interpretations of the Uniform City Income Tax Ordinance, MCLA 141.601 et seq. The Highland Park Income Tax Ordinance will prevail in any disagreement between these instructions and the Ordinance.

The total wages from line 15 of this schedule is the amount reported on Form HP-1040, page 1, line 1, column A. The total wages should be the same as the wages reported on your federal tax return (Form 1040, Form 1040A or Form 1040EZ).

All W-2 forms showing income earned in Highland Park and/or tax withheld for Highland Park must be attached to the return.

On the Wages, Excludible Wages and City Tax Withheld schedule, lines 13 and 14, enter the reason the wages are excludible and the address of the work station where you performed the work for the employer.

Do not use box 18 of W-2 form to report taxable wages or to allocate wages, use all wages reported on your federal return as the allocation basis. A separate wage allocation must be completed

for each employer. Wages are normally allocated using the actual number of days or hours worked in and outside of Highland Park during the tax year for an employer. Vacation time, sick time and holidays are not included in total days worked in arriving at the wage allocation percentage. Vacation pay, holiday pay, sick pay, bonuses, severance pay, etc. are taxable to same extent as normal earnings.

100% Earned in Highland Park. All wages, salaries, tips, sick pay, bonuses, deferred compensation, severance pay, and other compensation (Form W-2, boxes 1 and 8) is taxable to nonresidents who worked 100% of the time in Highland Park.

These plans include, but are not limited to, plans under Sections 401(k), 457 and 403(b) of the Internal Revenue Code (IRC). Amounts received before the recipient could retire under the plan provisions, including amounts paid on separation, withdrawal or discontinuance of the plan.
